COMMUNICATION REGARDING EXTENSION OF TIME

Sir:

Applicant believes that no extensions of time are required. According to 37 CFR 1.136(a), Applicants filed a response to the Final Office Action on June 21, 2004, which was prior to the expiration of the two month date of mailing of the Final Office Action (April 21, 2004), and an Advisory Action has not been mailed after the three month shortened statutory period of time. Accordingly, no extensions of time are required with this filing. However, if extensions of time are necessary to prevent abandonment of this application, then such extensions of time are hereby petitioned under 37 C.F.R. §1.136(a), and any fees required therfor are hereby authorized to be charged to Attorney's deposit account no. 23-1951 (McGuireWoods LLP).
